Griner Invites Employees To Town Meeting Thurs.

Acting Center Director Carolyn Griner has announced the first of a series of Town Meetings with Center employees to be held 1:30-3:30 p.m., Thursday in the Bldg. 4610 cafeteria. This will be the first of six Town Meetings with each employee invited to attend the meeting that best fits his or her schedule. Griner will present her thoughts on how to revitalize certain aspects of the Center's culture.

**Storytelling
Sessions Set for
2 and 2:30 p.m.
Wed. at the U.S.
Space & Rocket
Center**

GHCC Researcher to Brief Media on Hurricane Research at Noon Wed.

Robbie Hood of the Global Hydrology and Climate Center and some of the nation's leading hurricane scientists will brief the media Wednesday on upcoming hurricane research. The briefing will be held at Kennedy Space Center and will be broadcast on NASA TV. Hood is the lead scientist for the Convection and Moisture Experiment mission. Results from the mission may increase hurricane warning time and save lives.
